TO,

THE SECRETARY TO THE GOVERNMENT OF MYSORE,
Agriculture & Forest Department,
Vidhana Soudha,
BANGALORE.

Dear Sir,

Sub: Release of S.No.375 of Byaravalli village, Avathi Hobli, Chickmagalore Taluk, Chickmagalore District for cultivation.

I beg to bring to your kind notice that S.Nos.374, 375, 376 and 364 were Hiduvali lands some years back and were resumed to Government for arrears of land revenue. Parts of these S.Nos.and also other Survey Numbers were under cultivation for many years. But they were wrongly included in Masagali State Forest, later, by the Forest Department. The Villagers of Byaravalli village have been requesting the Government for disafforstation of these S.Nos. from Masagali State Forest. Government in their Order No.AFD 69 DST 57 D/23.9.59, were pleased to release S.Nos.273, 240, 345, 374, 159/240, 442/357, 113/364, 489/374 and 365 from Masagali State Forest.

I desire to bring to your kind notice that S.No.376 belongs to me and it protrudes into the State Forest as per the present alignment. I therefore request you to release kindly S.No.375 also, which comprises only 10 acres, as it would be more suitable for the Forest Department to realign the 'D' Line along the Western side of the S.No.375.

Thanking you Sir,

Yours faithfully,
Kallegowda 18/10/63

To

The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

Sub: Release of S.No.375 of Byaravalli Village, Avathi Hobli, Chickmagalur Taluk - for cultivation - Representation of Sri K.S.Kallegowda.

Ref: Your letter No. AFD 161 FGS 63 dated 5-11-1963.

I enclose herewith a copy of letter No. Mis 11470-GFL/63 dated 13-1-1965 from the Conservator of Forests, Shimoga Circle along with its accompaniments on the above subject for perusal.

The extent of the S.No. 375 of Byaravalli applied for grant is 19 acres 7 guntas and this area adjoins the lands already under coffee cultivation. It is reported that there is no appreciable tree growth except thorny shrubs like lantana, Randias etc, It is also reported that it is not worthwhile attempting afforestation in this area on account of the fact that the area available is small and that the approach to the same is difficult. In the circumstances and also in view of the fact that large areas of Revenue lands are being transferred to the Forest Department, the Conservator of Forests, recommends the grant of the S.No. 375 to the applicant. I agree with the Conservator of Forests and request you to communicate orders of Government disforesting the area for taking further action.

Yours faithfully,

Chief Conservator of Forests,

Sir,

SUB: Release of S.No.375 of Byaravalli village, Avathi hobli Chickamagalur taluk for cultivation.

REF: Your memo No.B3. GFL.1703/63-64 dt. 30.11.63 & 11.11.64

I enclose herewith a copy of report No.Gl. 8829-64 dt.14.2.64 of the District Forest Officer, Chickamagalur along with the sketch of the area on the above subject for kind perusal, which is self explanatory. In view of the facts explained by him and also in view of large areas of Revenue lands being transferred to this Department, I have no objection to release S.Nos.375 and 385 of Byravalli village which are included in Masgalli State Forest.

The Application forwarded under your letter No.B3.GFL. 1703/63-4 dt. 11.11.64 ~~are~~ enclosed herewith.

Yours faithfully,

CONSERVATOR OF FORESTS.

Copy of letter No.Gl.8829/64 dt.14.12.64 from the Divisional Forest Officer, Chickamgalur to the Conservator of Forests, Shimoga.

Sub: Release of 10 Acs. of land out of S.No.375 on Byaravalli village Avathi Hobli-Chickamgalur taluk for cultivation in favour of Sri Kalleg owda

Ref: Your letter No. 11470-GFL/63-64 dt. 28.11.64.

In continuation of this Office report of even No.dt.21.11.64 already submitted to you and with reference to your reminder cited above, I write to state that the area was jointly inspected by the Deputy Commissioner, Chickamgalur and the undersigned on 6.12.64, the Assistant Commissioner, Chickamgalur, The Tahasildar, Chickamgalur and the Range Forest Officer, Muthodi were also present during this inspection.

I was observed that the 10.00 acres of land applied for by Sri Kallegowda in S.No. 375 of Byaravalli which was originally a Gomal land is now included in the Masgali State Forest. Though the demarcation line of Maskali State forest towards this corner has not been cut, it was possible to make out this area as it is very adjacent to S.No.376 are already cultivated as Coffee Plantation.

The total extent of S.No.375 happens to be 19 acres and 7 guntas. There is no appreciable tree growth in this gomal land except thorny shrubs like Lantana and Randias etc.,

The S.No. extends almost to the sumit of the Bababudangiri Hill range and beyond this, the soil is almost rocky and devoid of vegitation partly due to being exposed to mist throughout the greater part of the day.

As is clear from the sketch of this particular locality enclosed herewith the S.No. 376 and 364 are projecting into the newly formed State Forest and all are under coffee cultivation already. It is only these survey numbers 375 and portion of S.No.385 and 354 which have some sub-soil. It may not be worthwhile attempting afforestation in this corner as the approach it-self is very difficult and the extent of the area available are son small. Therefore I am of opinion that the entire survey number which is 19 acres and 5 guntas in extent may be conceded to the adjacent Coffee land owners who can advantageously bring it under coffee cultivation.

Similarly the small extent of S.No. 385 portruding into the State Forest may also be conceded to the applicants Sri Manje Gowda, Maragi Chikka and Sri Sannamallaiah. In this connection I write to bring to your kind notice that the small extent of about 3 acres in S.No.385 has already been under coffee cultivation from past 7-8- years and T.T. has been recovered by the Revenue Department.

I am herewith enclosing a copy of the extract of the village Map clearly showing the demarcation line of the State Forest for your kind reference.
